COUNCIL ELECTION INTERESTING

The election campaign and the results were both interesting. Students hurrying around making campaign posters, putting them up to attract attention, and the candidates giving speeches, made the whole week exciting.

The campaign managers added much to the excitement as they introduced candidates to the audience.

Election week found its climax when these offices were filled: president, Eugene Asicksik; vice-president, Charles secretary, Henry Horner; treasurer, Goosma Peterson; and councilmen, William Hall. Leonard Chase and James Kvamme.

What? No girls! Even at that the Council is sure to meet with success.

... Elizabeth

STUDENTS ARE HAPPY

Today it is snowing, and the snow means a lot to some Wrangell Institute students. Where the students come from there is a lot of snow. Snow makes the students feel very much at home. They like snow because it is nice and cool and some kids like to make snowballs. The snow also sounds good when you are walking on it.

This means that many students will be in a better mood for the various activities that take place here. One boy just made the statement, "I wish it would snow all day."

If it takes snowing all day to make the students happy, then let it snow all day.

...Goosma

STUDENTS MEET WITH COMMISSIONER

Student Council President Eugene Asicksik and Frances Wilson of the WRANGELL EAGLE staff represented our school at a meeting with Indian Commissioner Bennett and members of the Alaska Native Brotherhool in Juneau, October 18 and 19. The student representatives were accompained on the trip by Mrs. Mary Gillespie and Mr. Watkins.

The meeting was one of several held throughout the country with Indian people. It was important because the native people could bring their problems for discussion directly to the Commissioner. Most of the discussion in Juneau was about village needs and education.

Mr. Bennett is an Onieda Indian, a graduate of Haskell Institute and was Area Director for Alaska before becoming Commissioner. Frances and Eugene said meeting and visiting Mr. Bennett was the highlight of their trip. They also enjoyed seeing Juneau and points of interest with Mr. Cyrus Peck, Jr.

Dear Goosma:

We were very pleased to receive the October issue of the WRANGELL EAGLE. We admired the cover and enjoyed the stories. Congratulations to you and your editorial staff upon the production of an attractive, interesting school paper.

We look forward to receiving future editions which we know will tell us many interesting things about your school and community.

Educational Specialist

Juneau

Dear A-V Members,

Congratulations. The first WRANGELL EAGLE paper was pretty good. I guess ours was pretty good, too, last year. I just got the paper yesterday and it practically went all over the dorm.

I see there's quite a bit of new students on A-V Glub. Congratulate them for me, also the "old ones." I am looking forward to getting more EAGLE papers.

Edgecumbe is great but I miss Wrangell. Didn't think I would. One main reason I like Edgecumbe is for there's no little tots following you all around the campus.

Keep sending the papers and keep up the good work.

Balassa Nick

Mt. Edgecumbe

Dear A-V Newspaper Staff,

I received the WRANGELL EAGLE yesterday. It was so good to read about what's happening there right now. I was so excited about receiving it, I even read it over and over! I admit it is a good school, although my opinion last year was slightly different.

I want to thank you all for sending the newspaper to me. You did a wonderful job.

I'll be waiting for the next issue....and the next....and the next!

A Former Editor Elizabeth Goodwin

Mt. Edgecumbe

Dear Students,

Just thought I would write since I've been thinking about all the kids up there in Wrangell Institute. I hope all of you students like the Institute, because I thought I hated it. Now that I'm down here I know it really helped me a lot. Not only for my school work, but by the way that we lived. We had a lot of responisibilities, so now I'm really glad that I went to the Institute first. I have some of my old classmates again in some of my classes. This school is real pretty. The grass is still real green. But every morning it's real cold and foggy out.

Well this is all I have to write for now.

CLEO CRAWFORD, EDUCATIONAL SE-CIALIST, TRAINING AIDS, PAID THE INSTITUTE A VISIT DURING NOVEMBER.

Who's Who?

William Hall

The boy that I am writing about is on the basketball team. He has black hair. He is very comical and handsome. His hometown is Shaktoolik.

He said that he likes J.A. and F.W. for friends. His best sport of course is basketball. This boy is a member of the A-V Club. His personality is good.

WHO IS THIS BOY????

This certain girl is from Angoon. She has long black hair and is very pretty. Her favorite dance is the slow dance. Her best friend is V.W. This girl is also a member of the A-V Club.

At times she is very funny, but when it's time to work she gets down to business. Her favorite sport is a question, but she has a very good personality.

WHO IS THIS GIRL????

With James Kvamme

BASKETBALL PRACTICE STARTED

Students have noticed boys from homercoms that to out at 3:00 every afternoon. Some asked why are these boys leaving the homercoms every afternoon? Well, these boys are practicing for basketball.

The first game of basketball will be held next month, and the boys are sure working hard on the basketball team this year. Mr. Fisher hopes that the team will be willing

to play against any opponents.

There has been no team division at this writing, but the teams will be made up of these boys: Leonard Chase, Daniel Farsovitch, Eugene Asicksik, Henry Horner, Roger Larionoff, Dimitri Johnson, Burt Merculief, Louie Lee, Terenty Merculief.

Paul Paul, Edwig Pete, Anthony Philemonoff, John Ruhl, Kenneth Selanoff, Wilfred Smoke, Enoch Tooyak, Ted Williams, and Deeph

Zackar.

Classrooms

DORM COUNCILS ELECTED

Last week the dorms voted for dorm council members. The boys voted for their own dorm council and the girls voted for their own.

The president of the Boys' Dorm Council is Byron George; vice-president, Ted Williams; secretary, Henry Horner. Councilmen are as follows: Arnold Nelson, Frederick Vaska and Daniel Farsovitch.

The president of the Girls' Borm Council is Frances Wilson; the vice-president is Linda Panamarioff; secretary, Wellie Kookesh. The councilmen are as follows: Bernice Ahsoak, Elizabeth Kaguyak, and Rose Fitka.

Congratulations to these members of the councils and we hope they do a good job durthe year 1966-67.

.... Helga Katchatag

THINK TWICE BEFORE LAUGHING

Every year boys go out for basketball and after school is out every day they go to practice which takes a great deal of their time. It's not easy for a boy to play ball. There are a lot of things he has to stop doing.

One thing that hurts is to have to mt all his hair off, but the love of basketball helps him to forget what has been done to him. You have seen some boys with their haircut. Think twice before laughing at them. They're trying to make a name for the school you are right now in, as well as for themselves.

Again I say "Think twice. Yes, think twice before laughing."

.... Byron George

OLLIN O. PRUETT, EMPLOYMENT ASSIST-ANT OFFICER VISITED WRANGELL INSTI-TUTE ON NOVEMBER 8, 1966.

ORAL REPORTS HELP STAGE FRIGHT

Mrs. LaMarr, our reading teacher, said that anyone who would like to make oral book reports in class may do so. It would give you extra points in your grade and it also is a good opportunity to get away from having stage fright.

Mrs. Dow also is trying to help keep you from having stage fright by having you tell short stories or say short poems.

These things will help you in your later school years. Everyone should accept it and take part.

....Flora Moses

BOYS HAPPY TO SEE SNOW

Wrangell had snow on the hills about three weeks ago. About two weeks later there was a little snow on the ground. It was surely nice to have a little snow.

Students were returning from the movies to the dorms through the arcade when it was noticed.

Someone yelled, "Snow!" and everyone looked out, and started yelling, "Yea, snow!" They ran out in the snow and made a few snow balls. Then they came in and touched the boys who had no T-shirts on. They touched them with their cold hands. Some of them squealed and said Don 't touch with your cold hands."

The next day the snow was all sloppy and wet, as usual.

.... Tobias Shugak

STUDENTS ATTEND CONCERT

On October 28, 1966, the students of the Institute signed up to go to the Alaska Music Trail. The concert started at eight o'clock. The man that played the guitar was a wary good player. He played all kinds of music. Of course, all the music was classical. Some were slow. The concert ended about nine thirty. All of the students got in the bus and started back to the campus. The next concert will be in February. Be sure and go to it.

.... Arnold Nelson

CARNIVAL COMING

As you all know there is a carnival to be held on the 18th of November. Jennie Aukon and William Hall are going to run the cake walk rooms. The clubs are also going to have booths.

The purpose of the carnival is to raise money for eye glasses.

....John Hunter

CAKE WINNERS

Last month's cake winners were Section 4 and 19. The section mates in Section Four are Onessia Alexie, Leonia Karkartak, Adeline Malcolm, Annie Wyagon and Mary Afcan.

In Section 19 are Linda Kirsteatter, Nita Sheldon, Alma Agnasagga, Bernice Absoak and Elizabeth Elachik.

All section mates enjoyed eating the cake. Mary Afcan

CLASSES MAKE TOUR OF CAMPUS

About two weeks ago science students went on a tour. The science teacher, Mrs. Smith, planned it. Students saw the boiler room and where heat comes from. They saw an engine where electricity comes from when the electricity is cut off from town. The man who takes care of it turns it on when the wires are cut. One time the storm cut the wire and the lights were cut almost the whole morning, so the man who was working the engine turned it on.

Students also visited the freezer. Some of the boys and girls learned a few things. ... Nita Sheldon

FIRE ALARM SURPRISES EVERYONE

One Tuesday evening, while we were having church, the fire alarm went on. Some of the students jumped up and ran out of the building. Some just stood around, they didn't know whether to put on their "P.J's"or not.

After the fire alarm went off they found out it really wasn't a real fire. A wire was loose which made the fire alarm go on.

.... Sophie Zaukar

DRESS FOR THE WEATHER

Here at Wrangell the weather is rainy. It rains and rains. But sometimes the weather gets shiny.

Many boys and girls catch cold and some get sick. Everyone should wear a jacket, scarf and rubber boots. They must wear warm clothing when they play out and follow the rules.

- 1. Wear your boots when you start to play out.
- 2. You must wear your jacket.
- You must wear your head scarf.
 Daisy Nayakik

WE ARE LUCKY

I like going to school here now. When I first came here I thought that I wasn't going to make it. Here I am two months later one of the 240 students. It is boring sometimes, but once you get over homesickness you are better off.

Some kids don't know how lucky they are to be going to school. When our parents were young it was tough on them. They wanted to go to school, but there weren't any schools. Some parents had a chance to go to school, but didn't go; so now they are sorry.

School isn't just work. There are other things besides that, such as movies, dances and so on. Wrangell Institute is a good place for preparing for high school work. You are going over some work you did not complete during your elementary years. So WORK HARD!

A First Person Experience
....Janet Tunchun

WORKING ON THE REC ROOM

Wrangell Institute dorms have television sets. The boys' dorm is having a difficult problem about the TV room. It is much too small to put 125 little and big boys in.

The matrons are asking big boys to work down at the Rec room and start taking off the paint. A few boys did a good job on painting the ceiling and walls. It looks very nice except the floor.

The Boys' Dorm Council should get to

The Boys' Dorm Council Should get together and discuss this problem.

....Julian Tumulak

WHITE CAT COMES TO HALLOWEEN PARTYArchie Juneby

One dark, damp night, a lost white cat came down the road. He was afraid and very cold. As he walked along, he saw a light in the dark woods. The cat went to the house and peeked in the window. There sitting by the fireplace, sat an old witch. Whe was crying.

The cat felt sorry for the witch and went

in and asked her, "What is wrong?"

The witch replied, "I'm going to have a Halloween party on Halloween Night. I have everything but a black cat."

The white cat said, "Why don't I come?"
The witch said, "You are not a black cat.
You are a white cat. I cannot have a white

cat at my party."

The witch began to cry again. Slowly the cat walked out of the door and went down the road once more. As he walked he had an idea which made him very happy.

On the night of the party the cat went to the witch's house and saw the witch having her party. He looked around and saw that there was not a black cat to be seen.

Quickly the cat jumped on the roof and went down the stove pipe. When he came out he looked at himself and to his surprise he was all black!

The witch saw him and she became very happy.

After that they had a good time.
THE END

HALLOWEEN DANCE HELD

On the night of October 29 at 7:00, a dance was held for the older students. Everyone had to dress up in costumes. Some were dressed up as ghosts and as witches. There were many more dressed up in different ostumes. Some costumes were very well made.

The boys and girls danced for a while and at 8:00, Nellie Kookesh and Rose Fitka started serving refreshments. The boys acted so hungry that they came back for seconds and thirds.

At 9:45 the dance ended and everyone had to go back to the dorms. Some of the dance committee members had to stay and clean up the mess that was made. The dance was a lot of fun. Everyone enjoyed it.

.... Nellie Kookesh

FROM THE ENGLISH GROUPS

HOW WOULD YOU SPEND \$100?

- 75 Would buy clothes
- 8 Save for later use
- 13 Save part of it
- 30 Shopping, candy, movies or goodies
- 13 Buy gifts for family or friends
- 8 Phono and records
- 3 Radio
- 6 Camera
- 5 Buy food & clothing for family members
- 4 Bicycle
- 6 Pay for electric, food, winter order
- 3 Send home

OTHERS MENTIONED:

Shotgun - Have a "ball" - New suit

Get parts for solo Suzuki

Buy record so I could listen to someother than noise

Put in bank and wait for another \$100 to show up

Electric guitar - Motor cycle - Boat

Watch, camera, jacket - Honda 90 Visit New York - Save for college edu-

cation -

Send to poor people who need food, clothing and shelter

Shoes (What a lot of shoes)

GIRLS ENJOY KNITTING CLUB

Girls that are in the knitting club are learning how to knit beautiful things like slippers, headbands, and gloves so they can send them home to any of their families. Some will keep them for their own use.

The girls go knitting once a week. They are divided into two groups because there are too many girls. The first group goes to knitting on Wednesday the one week and the second group goes knitting on Wednesday the next week.

The girls enjoy knitting so why don't you join them and have fun too.

....Arlene Albert

TRACK TEAM GOES TO KETCHIKAN

One month and a week from today, the cross country team went to Ketchikan to participate in the track meet that was held October 1, 1966. There were eight track team boys and the coach, Mr. Larry Fisher. The team went to Ketchikan on a ferry boat that took five and a half hours. The team stayed over night in Ketchikan in peoples' homes. The next morning a light breakfast was enjoyed and then to the high school gym.

There were five teams that ran. The teams were Juneau, Ketchikan, Petersburg, Wrangell and Wrangell Institute. The race started at 10:30 Saturday morning.

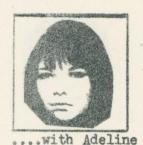

The winners of the race were Juneau, Petersburg, Ketchikan, Wrangell Institute and Wrangell.

Saturday afternoon the team got on the north bound ferry. It took another five and a half hours from Ketchikan to Wrangell.

The team ran the best that they could. Henry Horner
